WALZEM COMMUNITY FESTIVAL OUTCOME

Saturday, Aug 13th The Windcrest Lions all came together to help support the Walzem Community Festival and Backpack give away. This turned out to be a very successful event. Just under 1000 backpacks filled with supplies were given away to help many community families. The event ran smooth with

the Lions help in organizing the registration booths. The Leo's were also a major help in directing people where to go. This event also gave a great shout out for what the Lions stand for, TO SERVE.

GREENERY SALES APPROACHING FAST

Our biggest fundraiser is quickly approaching. Our greenery sales fund a large portion of our services to the community. We need to take every opportunity given to us to promote this fundraiser. Sales will start at the end of September and run through October. The greenery will be delivered in November before the holiday season starts.

ROOSEVELT CLUSTER RED, WHITE & BLUE

The Windcrest Lions and Leo's showed their pride for the community by marching in the opening Parade ceremonies for the Roosevelt cluster schools. The Lions are proud to have such wonderful students from the community representing our club through our Leo's program housed out of Roosevelt High School.
